

8th IFAC Conference

on Manufacturing Modelling, Management & Control

Problem Solving Methods and New Paradigm of Digital Manufacturing:

- Does the Digital Manufacturing mean the end of problems?
- Does the Digital Manufacturing mean the emergence of new kinds of technical and management problems?

MIM 2016

8th IFAC Conference

on Manufacturing Modelling, Management & Control

Problem Solving Methods and New Paradigm of Digital Manufacturing:

- What problem solving techniques are the most appropriate to the new paradigm?
- Do the techniques based on systems modelling can be appropriate to the new paradigm?

8th IFAC Conference

on Manufacturing Modelling, Management & Control

Digital Lean Manufacturing (DLM):

- What Lean techniques and analytical tools can be the most appropriate to the new paradigm?
- Digital Manufacturing - could or should be value-oriented?
